

Reservation Policies

We are primarily a walk-in restaurant, but we do offer limited reservations. We welcome walk-in guests.

To reserve your table, please read the reservation policies below.

Reservations are accepted **1 hour** in advance by either phone or email (in the case of via email, we require **the completed reservation form and 24 hours in advance**).

We request at least **1 hour notice by phone only** for a cancellation, if we do not receive 1 hour notice, you may be charged a cancellation fee of **\$20 per person**.

Any changes (the number of party and time) must be made **1 hour** prior to arrival to avoid a cancellation fee. Also please note that other parties might be affected by your changes. So, please be responsible and considerate to others.

Parties that are late for their reservation time are given 10 minutes before we attempt to call the phone number to check arrival status. **10 minutes** delay with no contact will void your reservation and result in cancellation fee of **\$20 per person** being charged.

All reservations are subject to **1 hour 30 minute** seating times from the reservation time.
